JEUL – Joint Enterprise and University Learning

Finance Teaching for Non-finance Students

**College of Economics and Management
Nanjing University of Aeronautics and Astronautics (NCAA)**

CONTENTS

1

**Finance Courses for
Engineering Students**

2

**Non-Finance Courses for
Engineering Students**

3

Plans for Further Development

Finance courses for IE students

Train future engineers skills of finance

Global understanding of how company operates

How to read balance sheet

Reflection of management strategies

2 Non-Finance courses for IE students

Consideration of finance in Operational Research

Time Value in Network Optimization

Inventory Model: when to refill the stock

Simulation of models

Further Plans

- Increase the proportion of finance courses for engineering students
- Encourage students to do projects using approaches of finance
- Collaboration between engineering and finance students in projects
- English courses: international students and Chinese students

Thank You!
